CONTAINER
SOLUTIONS

SCF

**40FT
TAUTLINER**

SCF's 40ft Tautliner container is ideal for both palletised and irregular freight profiles. The curtain enables access from both sides for easy operation and the intelligent design allows one person to access the unit safely.

Details

SCF's 40ft Tautliner container provides easy loading and unloading access for freight on both sides.

Built with safety in mind, hanging gates and posts enable safe handling for operators.

Ideal for fragile or soft pallets, the optional mezzanine deck provides increased flexibility for loading freight and double stacking of 40 pallets.

Multiple restraint points located in the bottom side rail and recessed into the floor allow for the cartage of both palletised and irregular freight.

SCF also produces a range of other sizes and variants to provide alternative capacity options to suit your requirements.

Key Features

- 2 pallet wide - up to 20 pallet spaces or 40 with a mezz deck
- Hanging posts and gates
- Full lashing rail for restraint
- Load binder winches
- Full double side opening
